

VAR Partner Program At-A-Glance

The **ConnectedPartner** program is designed to help you succeed with Cambium's solutions. We are fully committed to our partners because we know how vital you are to the successful delivery and deployment of our solutions to end customers. That's why we're focused on ensuring your company's success through the Cambium ConnectedPartner program.

Whether you sell to service providers, governments, enterprises, or small-medium businesses, ConnectedPartner positions you for growth through access to top-ranked point-to-point, point-to-multipoint, and WiFi solutions that help you drive sales, and insights that enable you to move nimbly into emerging wireless markets.

The **ConnectedPartner** program enables you to focus on:

- **GROWTH:** Driving channel partner growth and profitability
- **EXPERTISE:** Rewarding channel partner expertise
- **DIFFERENTIATION:** Helping you stand apart in the marketplace
- **VALUE:** Providing a return on investment

Our well-structured partner program maximizes global coverage while minimizing channel conflict.
